Subject: Docket No. 2019-391-T - Joint Application of Roeder & Moore, LLC

Jack:
I needed to inquire about the above-captioned matter. The Commission issued Order No. 2020-15 on January 8, 2020. That Order contains the following language: "Certificate No. 9831, belonging to Roeder & Moore, will be cancelled upon the consummation of the transaction, and notice of the closing shall be provided to ORS and the PSC within 10 days of that closing." It appears that the Public Service Commission has never received notice of the closing. Have we missed the filing of the notice, or has the closing just not occurred? I was asked to check.
Thanks in advance for your assistance in this matter.

Regards,
David Butler
